

## STATEWIDE APPOINTMENTS

**The Kansas Board of Pharmacy** is looking for a D.O. to serve on its K-TRACKS committee. K-TRACKS (Kansas Tracking and Reporting of Controlled Substances) is a part of the Board of Pharmacy's Prescription Monitoring Program. The K-TRACKS committee makes recommendations regarding monitoring policies, data collection, and who has access to data. Committee appointees serve three year terms and meet on a quarterly basis. Click on the link for more information. [K-TRACKS](#).

**The Kansas Board of Healing Arts** is identifying physicians with interventional pain specialization and/or pain management specialization to serve on a peer review committee.

If you are interested in serving on either (or both) of these statewide committees, please contact Bob Williams at the address listed below.
