

Please join KAOM this fall

The KAOM CME Program Committee invites you to exhibit at its:

Mid-Year CME Conference

On Friday, November 3, 2017

Marriott Hotel
Wichita, KS

The Kansas Association of Osteopathic Medicine invites your organization to join Osteopathic physicians from throughout Kansas at its Mid-Year Conference to continue a tradition of CME excellence by displaying at its Scientific and Information Services and Products event to be held on Friday, November 3, 2017. KAOM physicians take the time to meet with those who display – and those who display always say they receive the best physician interaction of the events they attend. The theme of this year's conference is the ***D.O. Difference.***

KAOM believes it is important that its member physicians are kept up-to-date on the latest in scientific advances in the medical field as well as new and innovative products and services. The 2017 Mid-Year Conference will be held on November 3-4 with the tabletop displays open on Friday, November 3 from 7:00 a.m. until 3:30 p.m. The continental breakfast, and breaks will all be held in the display area to provide you with plenty of time to visit with the attendees. The display charge is \$600 – please note the displays are not located in the same room as the CME sessions per ACCME guidelines.

The KAOM tax identification number is: 48-0290656.

The Mid-Year Conference always covers many family medicine topics and issues. This year KAOM will hold a Gubernatorial Candidates Forum as an added draw. The CME program begins Friday, November 3 and ends on Saturday, November 4 and it will be accredited for approximately 18 hours of category 1-A.

Your participation is publicized in all Mid-Year Conference marketing and on the KAOM website before, during and after the event. For more on opportunities to promote your products or services please email Vicki Whitaker at vicki@kansasdo.org or call her at 785-234-5563.

Thank you in advance for your consideration and support of KAOM and the Osteopathic profession in Kansas.

Sincerely,

Michael McClintick, D.O. – Eureka

2017-18 KAOM Program Director
